ALPINE GENERAL INFORMATION

Alpine is a Chihuahuan Desert mountain community sitting at 4,550 feet with a population hovering around 6,000 and an average year-round temperature in the low 70s. It receives approximately 14 inches of rain per year with wonderful blue skies and fabulous sunsets. The rainy season (and often the hotter part of the year) is May through July. The temperature rarely gets lower than the teens and rarely higher than the mid-90s with low humidity unlike our Texas neighbors to the east. It starts to cool off in mid-August. The area is blessed with 21 of the 23 highest mountain peaks east of the Rockies along with some magnificent scenery. Alpine is the central community of the Big Bend with Fort Davis to the north, Marfa to the west, Marathon to the east, Presidio to the southwest and Terlingua and the Big Bend National Park to the south. We are also home to [Sul Ross State University](#) and some of the friendliest folks in the country.

~ALPINE FILMMAKERS LODGING REBATE~

The Alpine Department of Tourism has initiated a program whereby a production can receive a rebate on the cost of lodging. Of course, Alpine isn't Austin, Houston or Dallas, but they are trying. The total rebate amount is capped and changes, so any amount I type here will be wrong.  Contact Alpine's Director of Tourism, Chris Ruggia, for more details.

~CITY of ALPINE FILMING PERMIT REQUIREMENTS~

Please see the link below for the modest permit requirements for the City of Alpine. If you are a small or student film production, the city may even wave the fees as part of the Alpine's "incentive" program. Ask. You never know.

A modest Civic Center, with a stage and a projection booth, is co-located with City Hall. The Center has some event equipment available, unfortunately the lighting and sound equipment is in dismal shape. None-the-less a nice small studio space. Home to the annual January Big Bend Livestock Show & Auction.

~MURALS~

Alpine is quickly becoming the Mural City of Far West Texas with 46 murals (and counting) on buildings, walls, parks and eve dumpsters. The mural movement has been led by Keri Blackman, of Kiowa Gallery, with the great Texas Muralist, Styllle Read, contributing 15 at last count. And with names like Tom Curry and Pauline Hernandez lending their talents as well as other artists and business folks contributing their talent and skills, we have murals! Nancy Whitlock and Chris Sibley put this map together so tourists could find the murals. Map is available around town.

ALPINE CATERING, COFFEE SHOPS, FOOD TRUCKS, RESTAURANTS, SALOONS & LIQUOR STORES

Alpine is a music and art town. You can find live music and art shows at most restaurants. Sometimes just for the heck of it. And, like a lot of things in the Big Bend, caterers need plenty of advance notice. The Big Bend is a long way from commercial food supplies and good help can be hard to find.

Alpine FFA - Doug Fox

Alpine High School
432-294-2434

Known as the "King of West Texas Brisket and Barbecue," Doug Fox and his FFA students can handle a fairly large event with some fabulous Texas BBQ. Hiring Doug and his crew also supports their organization and makes you feel So Good!

SUL ROSS STATE UNIVERSITY

Alpine - Main Campus
East Highway 90
Alpine, Texas 79832
432-837-8011

President Pete P. Gallego

SRSU is a small, picturesque campus that began life as Texas' Normal College in 1917. It has a small enrollment of just over 2,000 students with attractive buildings in red brick and beige trim that was used as a location in Boyhood. The staff and professors are friendly and helpful, and some are recognized as world class experts in their fields. A Planetarium and access to one of the world's richest botanical and geological regions, gives the University's science departments an A+. The Art, Theatre, Film & Television departments are well thought of and there is a Motion Capture stage for the film folks. The Computer Science department offers a degree track in Gaming Technology and the Theatre Department conducts a summer stock program, Theatre of the Big Bend, at the Kokernot Lodge outdoor theatre. Lots of student enthusiasm – the Red and Gray Lobos.

<http://www.sulross.edu/>

~FACILITIES~

If you wish to shoot at Sul Ross, it is advisable to contact President Pete P. Gallego's office first at 432-837-8011. The person that handles the rental and use of the campus facilities is Director of the University Center and Campus Activities. They can be reached at 432-837-8191 and the office is in the University Center on the main floor. They are typically friendly West Texas folks, and the fees are reasonable.
